Thank you for your application. Your membership is not finalised until it has been approved by our committee. We will contact you to let you know when it has been approved. Your details will be held in our membership register, this register is available on request to other members. If you do not wish to appear on the register please contact coolumwomensshed@gmail.com

Welcome to the Coolum Women's Shed

Thanks for your membership application. According to the rules of our constitution your membership application must be approved by our management committee. However please assume that unless you hear otherwise, your membership application has been accepted.

You can now book onto any of our activities without paying the non member surcharge. For some activities members are also given priority booking access.

What's on?

Our website has the most up to date information www.thewomensshed.org – we are working on our website all the time so please check back regularly – you can also book onto groups and events directly from our website. Newsletters are sent a minimum of 4 times a year, so if you don't receive any emails from us please let us know. We also have a 'news' section on our website.

You can book into activities, try groups, and join our facebook groups. Our main facebook page is www.facebook.com/thecoolumwomensshed.

If you prefer paper to electronic info, we usually have a paper copy of our timetable at the Shed and in Coolum library. We try and update it every month.

It really helps the volunteer team if you can book into activities so we know who is coming – it also speeds up the checking in process when you join us for an activity – which means more time for fun!

A quick caution about Facebook – our members are often frustrated that they don't find out about workshops or events until they are too late. Unfortunately, Facebook doesn't always show you everything we post.

Get more involved

Is there something you want to see happening at the shed? Maybe you have a skill you would love to share? Or you just want to find some other people with a similar interest to you who might want to meet on a regular basis. Make an appointment with the general manager to discuss creating a group or workshop. Volunteers are always welcome – keep an eye on our blog or social media pages for general calls for help. If you have specific skills please check our volunteering page on our website.

The legal stuff

When you apply for membership we are legally obliged to tell you that we have \$20mn public liability insurance.
