

HANGING POSSUM POUCHES

It is of **EXTREME** importance there are no loose threads or exposed seams

The inside of the pouch should be the “soft” side of the fabric and seam free.
Loops at top are for clips to attach to cage walls.

Materials - Outer - Polar Fleece
Lining - Flannelette

Finished size -(does not include loops)

Small - 20x20cm
Medium - 25x25cm
Large - 35x35cm

NOTE-Currently the photos are of a different item that is produced in the same way, they will be replaced soon.

Photos show 2 layers of fleece while pattern calls for Fleece and Flannelette

Photos shows a more rectangular pouch, pattern calls for square

Photos show different placement of loops. Follow written info.

Cutting - Cut rectangles to size one fleece and one flannelette
- cutting size includes 1cm seam allowance

Small - 42x22cm
Medium - 52x27cm
Large - 72x37cm

Cut a 2x20cm strip of fleece

Note you can cut 2 squares and join to use up smaller pieces of fabric (includes 1cm seam allowance) S-22x22cm , M-27x27cm, L-37x37cm

Construction

- 1- Cut 20cm strip into two 10cm pieces
- 2- Fold each rectangle, right sides together to make a square.
- 3- Sew 1cm seam along bottom and side of fleece producing a pocket.
- 4- Repeat for liner. Turn liner right side out.
- 5- Place liner into fleece outer, right sides together.

- 6- Fold 10cm strips into loops.
- 7- Place loops, open edge to top between the fleece and liner approx 5cms from each side
- 8- Pin liner and outer together at top edge making sure to catch loops.
- 9- Sew fleece outer and liner together leaving a gap of approx 5cm un sewn between the loops.
- 10- Use gap to turn the pouch in the right way. Loops should now be on the outside of top seam.
NOTE- Your loops will be both on the back of the pouch
- 11- Pin gap closed.
- 12- Sew row of top stitch around pouch opening, closing the gap.
- 13 -Check for and remove loose threads.

photo to come

Step 9
photo to come

Congratulations.
You have just made a home
for a possum in need.
